

Proposed District 2 Shop Addition

The District Two Offices are located at 1006 North 3rd Street, Salina, Kansas 67401.

This project will consist of an addition and substantial electrical upgrade to the District Two shop in Salina Kansas. The addition will be approximately 50 feet by 100 feet or 5,000 square feet on the north side of the district shop. The pre-engineered metal building shop addition will open up to the existing shop and will have two overhead doors on both ends of 50-foot length to accommodate the KDOT dump trucks.
